

County Job Center Provides Services for Young Adults

The Menominee Work Force Development Center and Shawano County Job Center has funding available to assist youth between 19-21 years of age with their employment related needs. Eligible youth may receive GED assistance, job search assistance, career development, training funds and job placement services.

Workforce Investment Act (WIA) is a federal program designed to assist low income workers, dislocated workers and at risk youth with employment and training to enter occupations that are in demand. For more information community members can contact Austin Retzlaff, the Job Center's Older Youth Case Manager at Menominee Work Force Development Center T-Th 715-799-6226 ext 3094 or Shawano Job Center M-W-F 715-524-3188
